

ESSENTIAL INFORMATION INDONESIA

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of two (2) blank visa pages for entry and exit stamps.

A tourist visa is required for U.S. and Canadian passport holders for entry into Indonesia. There are currently three options available as outlined below. Buongiorno Travel recommends a visa exemption. All entrance procedures and fees subject to change without notice.

Visa Exemption: This is a no-fee stamp placed in your passport upon arrival for tourists staying less than 30 days; no extensions are allowed and no adjustment to another visa status permitted. Most of the country's international airports, including Bali's (Denpasar) Ngurah Rai Airport, Yogyakarta's Adisucipto Airport and Jakarta's Soekarno Hatta Airport participate in this scheme.

Visa on Arrival: Travellers entering Indonesia from entry points not part of the visa exemption will be required to pay a fee of USD \$35 in order to obtain their tourist visa on arrival. This fee must be paid in cash and can be paid in U.S. dollars or local currency.

Visa in Advance: A visa stamp in your passport can be obtained either by applying directly to an Indonesian consulate or through a visa processing service. While there are additional costs involved in using a visa service, this option is available for guests who prefer assistance in the visa process.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

VACCINATIONS

A yellow fever vaccination is only required to enter Indonesia if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

CASH & CREDIT CARDS

Cash transactions can generally be made in either U.S. dollars or local currency, though some smaller shops may require payment in Singapore dollars. U.S. dollars should be recently issued bills in smaller denominations. Major credit cards are widely accepted for goods and services. Access to ATM machines is widespread in cities and towns but may be limited in rural areas.
