

ESSENTIAL INFORMATION

JORDAN

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of one (1) blank visa page for entry and exit stamps.

A tourist visa is required for U.S. and Canadian passport holders for entry into Jordan.

There are currently two options available as outlined below. *Note: Travellers entering Jordan from Israel by land via the Allenby Bridge must obtain a visa stamp prior to departure.*

Visa on Arrival: A tourist visa can be obtained on arrival at Queen Alia International Airport (AMM) in Amman. The government of Jordan currently waiving visa fees for visitors travelling on an organized group or individual tour program, provided they spend at least two (2) nights in Jordan and present a Passport Manifest upon arrival.

Arrival Procedures:

- Upon arrival at Queen Alia International Airport, proceed through the arrivals corridor where an Buongiorno Travel representative (holding a signboard with your name on it) meets you prior to the Immigration Counter and provides you with your Passport Manifest to obtain your entry visa (one per booking).
- You will then proceed to the Immigration Counter to have your Passport and Manifest stamped. Immigration officials may also take your photograph and fingerprints.

You will need to keep your Passport Manifest and present it upon your departure from Jordan. If you do not have the Passport Manifest upon departure, you will have to pay a penalty of 40 Jordanian Dinars.

Note: Please make certain to locate the Buongiorno Travel representative prior to reaching the Immigration Counter. Those entering Jordan without a Passport Manifest will be required to obtain a standard Jordanian Visa on arrival for a fee of 40 Jordanian Dinars (approximately \$60 USD). This fee must be paid in cash in local currency. There are currency exchange facilities prior to entering the immigration area.

In order to ensure that Buongiorno Travel can properly secure your Passport Manifest, please forward a clear, photo quality, copy of your passport to Buongiorno Travel no later than 60 days prior to your departure.

Visa Stamp: A visa stamp in your passport can be obtained either by applying directly to a Jordanian consulate or through a visa processing service. While there are additional costs involved in using a visa service, this option is available for guests who prefer assistance in the visa process.

Travellers departing Jordan and making land crossings from **Jordan** into **Israel** are required to pay a departure tax of 10 Jordanian Dinars (approximately USD \$15).

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

VACCINATIONS

A yellow fever vaccination is only required to enter Jordan if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

STAY HEALTHY ON THE ROAD

A visit to the ancient site of Petra in Jordan is an active excursion involving long walks over uneven terrain, steep climbs and exposure to high temperatures. A robust level of fitness is necessary. A visit to Petra may be challenging for travellers with mobility issues.

CASH & CREDIT CARDS

Cash transactions should be made in local currency. Major credit cards are widely accepted for goods and services. Access to ATM machines is widespread in cities and towns, but may be limited in rural areas.
