

# ESSENTIAL INFORMATION MALDIVES

## PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of one (1) blank visa pages for entry and exit stamps.

Holders of U.S. and Canadian passports are issued a no-cost visitor visa, which is valid for 30 days, upon arrival in Maldives. An onward ticket and proof of sufficient funds are required.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

## VACCINATIONS

A yellow fever vaccination is only required to enter Singapore if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

## CASH & CREDIT CARDS

Cash transactions can generally be made in either U.S. dollars or local currency, though some smaller shops may require payment in Maldivian rufiyaa. U.S. dollars should be recently issued bills in smaller denominations. Major credit cards are accepted on a very limited basis, mainly only in the largest shops, hotels and restaurants. Access to functioning ATM machines is primarily limited to those attached to banks in Male.
